

WORKFORCE DEVELOPMENT PROGRAMS AND SERVICES

Judiciary Employment Education Program

The goal of this program is to engage participants by creating a space where individuals can explore career opportunities across the Judiciary, build relationships with other students, meet judicial staff, participate in a speed mentoring session, and learn about the services offered by the Rhode Island Judiciary.

Target Audience: High school juniors and seniors and college students.

Judiciary Shadow Program

This program was designed to expose individuals to career opportunities in the legal field and to the skills and qualifications necessary for appointment. Program participants have an opportunity to observe court proceedings and to shadow or interview professionals in the Judiciary who are working in their area of interest. Please note that this is not an internship or experiential opportunity. For more information about internships in state government, visit the [Rhode Island State Government Internship Program](#) website.

Target Audience: High school students, college students, and recent graduates.
